"The PCT loved our SOP's and also our practice leaflet and they have took a copy of my Practice Leaflet to show other pharmacists what they should look like!" "You've really looked after us well, I am pleased with everything I have ordered from you" **Steve's Chemist - Grays, Essex**

Patient Survey - "I am undoubtedly coming back to you every year until they decide the survey is over. I work closely with our PCT, and I showed them my results and they all thought the format, quality and layout were incredible. There were 4 people who presented their results. I had yours, someone had the electronic results, someone with another company and someone who did it themselves. Yours wowed them all !!! It has shown everyone who thinks they're saving money by doing it themselves that they're wrong. I think its "fantastic" and don't worry as I definitely won't be shopping around anywhere else from now on".

Bipin Patel, Turnbolls Pharmacy, Islington.

"The seminar we had was fantastic, its changed all of my staff perspectives on the business. There aren't enough people who realise how important it is to learn these things about their own business. It was brilliant"

R J Berry

"Chanin's Chat - I absolutely love it !!!"

Robert Burns, Avenue Pharmacy (Whitburn)
